

REQUEST FOR PROPOSAL

Enterprise IT Infrastructure & Management
System (EIMS)

for Punjab Revenue Authority (PRA)

RFP Reference No.	PITB/PRA/EIMS/2025-26/001
Issuing Authority	Punjab Information Technology Board (PITB)
Client Department	Punjab Revenue Authority (PRA), Lahore
Date of Issue	03 July 2025
Submission Deadline	04 August 2025 at 3:00 PM (PST)
Bid Opening Date	04 August 2025 at 3:30 PM (PST)
Validity of Bid	120 Days from submission date
Procurement Method	QCBS – Quality and Cost Based Selection

Procurement under PPRA Rules 2014 (as amended). Bids not conforming to the prescribed format or received after the deadline will be rejected without review.

1. Introduction and Background

1.1 About the Procuring Agency

The Punjab Information Technology Board (PITB) is a statutory body established under the Punjab Information Technology Board Act 2012. PITB is the lead technology arm of the Government of Punjab, responsible for spearheading digital transformation initiatives across all provincial departments. It acts as the procuring agency on behalf of the Punjab Revenue Authority (PRA) for this engagement.

1.2 About Punjab Revenue Authority (PRA)

Punjab Revenue Authority was established in 2012 under the Punjab Revenue Authority Act to administer and collect provincial taxes, including Sales Tax on Services. PRA currently manages tax affairs of over 120,000 registered taxpayers and processes billions of rupees in annual revenue. The authority seeks to modernize its IT infrastructure to improve operational efficiency, data security, and service delivery.

1.3 Purpose of this RFP

PITB, on behalf of PRA, hereby invites proposals from technically and financially capable firms for the design, supply, installation, configuration, testing, training, and five-year operations and maintenance of an Enterprise IT Infrastructure and Management System (EIMS). The system shall consolidate PRA's datacenter, network infrastructure, helpdesk, and IT service management functions into a single governed platform compliant with ISO/IEC 27001 and the Government of Pakistan IT Security Policy.

2. Scope of Work

2.1 Component A – Datacenter Infrastructure

- Supply and installation of rack-mounted servers (minimum 20 units, dual-socket, ≥512 GB RAM each)
- Storage Area Network (SAN) with minimum 500 TB usable capacity, RAID-6 configuration
- High-availability firewall cluster (active-active) with NGFW, IPS/IDS, and DLP capabilities
- Structured cabling (Cat6A) across all three PRA office floors and server room
- KVM-over-IP console management, out-of-band management (iDRAC/iLO)
- UPS (3-phase, N+1 redundancy) and precision air-conditioning units

2.2 Component B – Software and Virtualization

- Enterprise hypervisor platform (VMware vSphere Enterprise Plus or equivalent) with vCenter management
- IT Service Management (ITSM) software aligned with ITIL v4 (incident, change, asset, and CMDB modules)
- Network Management System (NMS) with real-time monitoring, SNMP, syslog, and automated alerting
- Identity and Access Management (IAM) with Active Directory, MFA, and Role-Based Access Control (RBAC)
- Backup and Disaster Recovery solution with RPO ≤ 4 hours and RTO ≤ 8 hours
- Security Information and Event Management (SIEM) platform with 12-month log retention

2.3 Component C – Operations and Maintenance (5 Years)

The selected vendor shall provide comprehensive O&M services for a period of five (5) years from the date of Go-Live, including but not limited to: 24×7 NOC (Network Operations Center) services, quarterly preventive maintenance, firmware and security patch management, SLA-backed incident response (P1: 4 hrs, P2: 8 hrs, P3: 24 hrs), annual DR drill, and quarterly performance and capacity reviews.

3. Eligibility and Pre-qualification Criteria

Proposals from firms that do not satisfy ALL of the following mandatory criteria will be rejected at the technical pre-qualification stage.

#	Criterion	Minimum Requirement	Supporting Document
1	Legal Registration	Registered under SECP or equivalent; minimum 7 years in operation	Certificate of Incorporation, NTN, STRN
2	Annual Turnover	Average PKR 500 Million/year over last 3 financial years	Audited Financial Statements (last 3 years)
3	Relevant Experience	Minimum 3 successfully completed IT infrastructure projects for Government/public sector worth $\geq$ PKR 200M each	Completion Certificates + Client References
4	Technical Staff	Minimum 50 full-time IT staff; ≥ 5 CCIE/CCNP; ≥ 3 VMware VCP; ≥ 2 CISSP	HR List with CNIC and Certification copies
5	OEM Partnerships	Gold/Premier partner of at least two OEMs (Cisco, HP/HPE, Dell, VMware, IBM, Fortinet)	Valid OEM Authorization Letters
6	ISO Certifications	ISO 9001:2015 and ISO/IEC 27001:2022 certified	Valid ISO Certificates
7	Tax Compliance	Active taxpayer status; no arrears or blacklisting	Active Taxpayer Certificate (FBR/PRA)

4. Technical Requirements

4.1 System Performance Standards

Parameter	Minimum Standard
Server Availability (Virtualization Layer)	99.95% monthly uptime
Network Uptime (Core + Distribution)	99.99% monthly uptime
Datacenter Power Redundancy	2N (A+B feeds per rack)
Cooling Redundancy	N+1 precision AC units
WAN Failover Time	< 60 seconds (automatic)
ITSM Incident Resolution – Priority 1	≤ 4 hours
Backup Success Rate	≥ 99% monthly
Mean Time to Repair (MTTR)	≤ 6 hours for hardware failures

4.2 Security and Compliance Requirements

- All systems shall comply with the National ICT R&D; Fund Security Guidelines and PITB Information Security Policy v3.0.
- End-to-end encryption (AES-256) for data at rest; TLS 1.3 for data in transit.
- Multi-Factor Authentication (MFA) mandatory for all administrative access.
- Regular penetration testing (bi-annual) by a CREST-certified third party; reports submitted to PITB-CERT.
- Vendor shall maintain a dedicated security operations contact and participate in PITB-CERT's incident response drills.
- Source code escrow arrangements for all custom software components.

5. Bid Submission Instructions

5.1 Two-Envelope System

Bids shall be submitted in two separate sealed envelopes enclosed in one outer envelope, clearly marked with the RFP reference number:

Envelope	Contents
Envelope 1 – Technical Proposal	Cover letter, firm profile, pre-qualification documents, technical approach, implementation methodology, team CVs, past experience, certifications
Envelope 2 – Financial Proposal	Bill of Quantities (BOQ) with itemized unit prices, total bid price, O&M; cost breakdown by year, payment milestone schedule

5.2 Bid Security

A Bid Security (Pay Order / Bank Guarantee) of **PKR 5,000,000 (Five Million)** in favour of "Director General, PITB" must accompany the financial proposal. Bid securities of unsuccessful bidders will be returned within 30 days of bid opening. The bid security shall remain valid for 150 days from the bid submission date.

5.3 Submission Address

Physical proposals must be delivered to: **Director Procurement, PITB, 5th Floor, Arfa Software Technology Park, Ferozepur Road, Lahore – 54600** by **04 August 2025, 3:00 PM (PST)**. Late submissions will not be accepted under any circumstances.

6. Evaluation Methodology

Bids will be evaluated using the Quality and Cost Based Selection (QCBS) method with a **70:30** weighting (Technical : Financial).

Evaluation Criterion	Sub-Criteria	Max Score
Technical Proposal (70 marks total)	Company Profile, Certifications, Financial Capacity	15
	Relevant Project Experience (Government/Public Sector)	20
	Technical Approach and Solution Architecture	20
	Project Team Qualifications and CVs	10
	Implementation Plan and Risk Mitigation	5
Financial Proposal (30 marks total)	Lowest evaluated financial score	30
TOTAL		100

Minimum passing score for Technical Proposal: **70% (49/70 marks)**. Financial proposals of technically non-qualifying bidders will not be opened.

7. Contract Terms and Conditions

7.1 Payment Milestones

Mobilization Advance (10% against bank guarantee) → Infrastructure Delivery & Acceptance (30%) → Software Installation & UAT Completion (30%) → Go-Live and Training (20%) → First Year O&M Completion (10%). Annual O&M payments thereafter on a quarterly basis.

7.2 Performance Security

The selected vendor shall furnish a Performance Security equivalent to **10% of the total contract value** within 14 days of contract award. The security shall remain valid for the entire contract period plus 6 months.

7.3 Liquidated Damages

Delay beyond agreed milestones will attract Liquidated Damages (LD) at **0.5% of the contract value per week**, capped at 10% of total contract value.

7.4 Governing Law and Dispute Resolution

This contract shall be governed by the laws of Pakistan. Disputes shall be resolved through arbitration under the Arbitration Act 1940 with venue in Lahore High Court jurisdiction.

7.5 Intellectual Property

All custom-developed software, documentation, and system configurations shall become the exclusive property of PRA/PITB upon delivery. The vendor retains no residual rights.

7.6 Data Protection and Confidentiality

The vendor and all sub-contractors shall sign a Data Processing Agreement (DPA) and maintain strict confidentiality of PRA taxpayer data in accordance with applicable Pakistani data protection regulations and PITB Information Security Policy.

8. Annexures

Annexure A: Bid Submission Form

Annexure B: Company Profile Template

Annexure C: Past Experience Form (per project)

Annexure D: Team Member CV Template

Annexure E: Technical Compliance Checklist

Annexure F: Bill of Quantities (BOQ) Template

Annexure G: Draft Contract Agreement

Annexure H: Bid Security Format (Bank Guarantee)

Annexure I: Performance Security Format

Annexure J: Non-Disclosure Agreement (NDA)

All annexures must be completed, stamped, and signed by the authorized signatory. Incomplete annexures will result in disqualification.
